

Summer uniform:

Welcome back to the final summer half term of this academic year. We are very excited for the exciting learning opportunities and enrichment planned for this half term. As the weather starts to get warmer the children are welcome to wear black/grey shorts in school trouser/skirt material. These can be purchased at any supermarket. Summer gingham dresses as seen on the left are also welcomed and are much thinner in the hot weather. If children want to continue wearing their current winter uniform, this too is of course fine. Please be reminded that cycling shorts are for PE only and are not acceptable as normal school uniform. The children at North Park Primary look incredibly smart in their uniform and have received numerous compliments on their various visits.

We want to create a sense of belonging and pride to be part of North Park Primary and a smart school uniform goes a long way in achieving this. We do not want to cause anyone any financial difficulties so if you need any support with school uniform then please speak to a member of staff or the office in confidence and we will be able to help. We also have a large amount of preloved uniform (plenty of summer dresses) in good, freshly cleaned condition. At North Park, we believe strongly in reducing waste and looking after our planet so recycling uniform is encouraged.

Thank you for your continued support.
