

Weekly Bulletin: 07.5.24

Calling any Green-fingered parents or grandparents:

The year 5 children are attending small workshop sessions every Monday afternoon at the community allotment.

If there are any interested parents/grandparents who would be willing to accompany them, you are very welcome to join them. Please ask at the school office for more information.

Reading Records:

The children are asked to read at home at least 3 times a week and show us they have done so by getting their reading record signed. Please encourage this at home if you can.

Truck Safety sessions this week:

On Thursday and Friday the carpark will be taken up with a very large Truck to promote road safety with the children. Every class will do a 40-minute workshop and hopefully raise awareness with the children about the danger of blind spots.

In the interests of keeping all children safe, please always refrain from parking on the school drive. This too creates blind spots and makes it dangerous for the children to enter the school premises. Thank you in advance.

Dates for your diary: (Dates added through the term in yellow for easier reference)

Date:	Event:	Who is involved:
